

Dear Fairview Farmer,

Welcome to Fairview Estates — a growing community of like-minded families and individuals embracing a return to real farm living on the beautiful North Coast.

We're so glad you've chosen to call Fairview home and we trust you'll enjoy the space, freedom, and opportunity that comes with life on the land. Whether you're planning veggie gardens, a chicken coop, or simply a place where the kids and pets can roam free, we look forward to seeing your homestead vision come to life.

Our Community and Social Committee regularly hosts events to bring neighbours together — we hope to see you at one of these soon. Until then, know that you're part of something truly special here at Fairview.

Warm regards,
The Founding Farmers

Nic Jordan, Nick Leitch and Liesl Venter
